Together, We Are NSV.

NSV Executives Are Coming to You!

We’re Bringing the Party to Your Region – One Stop at a Time!

Get ready, Victoria! The Nigerian Society of Victoria (NSV) Executives are hitting the road, and we’re coming to your region! In our continued efforts to stay connected, build stronger relationships, and celebrate our community across the state, the NSV leadership team is embarking on a regional engagement tour. This exciting initiative is all about bringing the party to you — with laughter, food, culture, and heartfelt conversations.

We understand that not everyone can make it to our events in the city, so we’re turning the tables and coming to your backyard. Whether you’re in the east, west, north, or south — we’re showing up to meet you, listen to you, and celebrate with you.

Expect:

-  Community bonding
-  Cultural displays
-  Open forums with the NSV Executives
-  Food, fun, and fellowship for the whole family

This is more than a visit — it’s a movement. Let’s make each stop memorable and unite our people like never before. Together, we are stronger. Together, we are NSV.

Stay tuned for dates and locations – the party might just be in your area next!
